Here where our story started. 2016

Under the title "**Building Future Egypt**" The **Arabian German** for **Exhibitions & Publishing**, in partner with **Engineering Consultants Group S.A (ECG)** organized Egypt's biggest gathering in the construction industry, focusing on "Powering the future of construction industry & green building in Egypt while highlighting the new technologies & the mega projects.

We touched a wide range of topics from construction regulation, major projects and upcoming contracts to sustainable building and the latest construction technology, this event is the ideal opportunity to get involved in Egypt's booming construction industry and to access major developers, contractors and suppliers from the region.
